room with separate en suite bathroom. The remaining two bedrooms share a very large bath/shower room. All have a large patio doors opening to private terraces with sea views.

The ground floor consists of a bright sunny entrance hall with guest W/C to the master suite, which is spacious with a luxuriously large bathroom, plus a dressing room with terraces doors opening out to the pool and enjoying the wonderful views. The huge open plan living and dining room has a beautiful fireplace and high ceilings, and again a massive use of glass to facilitate the sweeping sea views. Between the fabulously and luxury kitchen and the outside dining area complete with barbecue, traditional oven, and perfect for the family parties and entertaining friends, is a separate laundry room. The kitchen is fit for any chef entertaining and is a fully fitted and equipped with double ovens, and all appliances including a coffee maker and a large pantry.

Natural stone and wood have been used to create a feeling of homeliness even outdoors! The stunning pool area also boasts the gorgeous sea views as well as a Jacuzzi and bathroom. Not enough can be said about this amazing villa, therefore viewing is a must!

A perfect holiday get away or permanent residence.
